# How to create a KAUSTCentral login?
Follow the steps below

## Create a KAUSTCentral account

**1** On the KAUSTCentral homepage, click on 'Profile'.

**2** Select KAUSTCentral login, then click on 'Create account'.

**3** Fill out all fields, including your KAUST ID if available, and click 'Register'.

**4** You'll receive an email to activate your KAUSTCentral Login.

**5** Open the email and tap on "click here" to activate your KAUSTCentral Login account.

**6** Once your account activation is successfully completed, you will see a confirmation message in your browser.

## Login with KAUSTCentral account

**1** Select KAUSTCentral login, enter your email address and password, then click on 'Login'.

**2** Enter the OTP you received in your registered email address and click on 'Verify and Login'.
